

PROFESSIONAL TEACHERS OF DANCING APPEALS PROCEDURE

It is the policy of the Professional Teachers of Dancing (PTD) to act fairly and without bias in all its dealings with teachers, applicants, and students. The PTD aims to deal with all properly lodged appeals in an efficient, impartial and transparent manner. All appeals are in confidence and details will not be made available to any other parties.

An appeal can only be made once the results have been received by the teacher. This may come from the teacher or candidate themselves, if they are aged over 16 years, or a designated person acting on the candidate's behalf.
